

CALENDAR 2025

MAZDA ENVISIONING THE FUTURE.

Every MAZDA reflects a vision in the form of a car that offers a glimpse of the future. When we view a Mazda through the eyes of its creators, it reveals new depths. Every element from its form and color to the interior embodies their enduring passion, the relentless struggle for perfection, and the bonds of a united team. And when that future is crafted with such passion, it promises to be one that inspires us all. When we say, "I have to drive this car!" or "When can I get behind the wheel?", it is more than just a desire to drive—it is our hearts already racing alongside its creators toward that future.

AN AUTHENTIC FORM
FOR THE MODERNITY

MAZDA EZ-6 EV SEDAN

Designed with the theme "SOULFUL + FUTURISTIC x MODERN," this next generation EV sedan embodies futuristic and modern forms that evoke the image of a new way of life with new energy vehicles, while fusing the 'excitement of motion' pursued by Mazda Design and the sense of life unique to KODO design.

KODO : SOUL of MOTION

A fusion of functionality and beauty - design in motion is all about capturing the muscular vigor you see when an animal pounces. The sleek and aerodynamic lines of every Mazda is enhanced by the visionary KODO design philosophy. A bold, powerful look down to the last detail. We create cars that can communicate with the driver on an emotional level, as if the vehicles were alive.

SKYACTIV TECHNOLOGY

Driving enjoyment is essential to Mazda. Wherever more efficiency could be unlocked, we've done so. Engines create more power, yet use less fuel. Transmissions have less friction and are smaller and lighter. High tensile steel dramatically cuts body weight to improve handling and economy, but safety isn't compromised. Closely optimized aerodynamics boost efficiency and performance.

I-ACTIVSENSE

New generation Mazda vehicles are equipped with i-ACTIVSENSE, an integrated set of safety features that uses selection of the latest sensing devices – including milliwave radar, near-infrared lasers and a forward sensing camera – to cover the widest range of situations and weather conditions to keep you informed and help you anticipate and avoid hazards. i-ACTIVSENSE also includes Adaptive LED Headlights and Blind Spot Monitoring with Rear Cross Traffic Alert as well as the Lane-keep Assist System.

MZD CONNECT

MAZDA CONNECT makes staying informed and entertained effortless. Explore the possibilities, including audio, hands-free telephone, the available navigation system, and so much more. Everything is easily controlled using the convenient multifunction Commander control, and viewable on the full-color display. You can even do the impossible: please the whole family, because passengers in the second row can charge and enjoy their own electronic devices using the available dual USB charging ports.
